

# Financial Services and Credit Guide

**FM Financial**  
Version 11.0  
Date: 1 July 2021

This Financial Services and Credit Guide (FSCG) contains information that will help you decide whether to use the financial services we offer. It sets out:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee, Hillross Financial Services Limited (Hillross)
- our fees and how we, and Hillross are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or Hillross

## Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SOA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product. You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

### Lack of independence

We are not independent, impartial or unbiased in relation to the provision of personal advice because:

We may receive monetary and non-monetary benefits from product providers.

Generally, we recommend products that are contained within our approved products and services list (APSL) which contain products and services from external providers and some which are related or associated with Hillross. We may also hold shares in AMP Limited.

## Tax implications of our advice

Under the Tax Agent Services Act 2009, FM FINANCIAL PTY LIMITED, trading as FM Financial is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

## Transaction services

We can arrange to complete transactions for you on limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which will be documented in writing. We will keep a record of this documentation for seven years. You may request a copy of such records by contacting our office during that period.

## Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to annual advice and services, the details will be documented and provided to you in an advice or service agreement. This includes the frequency of contact between us, service standards that may apply, any fee arrangements and how the agreement can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

## Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

## Our fees

The actual fee charged to you will depend on the nature of the advice or service we provide. We will discuss and agree the actual fees with you before we proceed. The following section outlines the types of fees that may apply:

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee

Our agreed advice and service fees may include charges for:

- Initial advice
- Ongoing advice and services
- Annual advice and services

Please note that for services in relation to insurance and some credit products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the loan, or on renewal of insurance products

### Payment methods

We offer you the following payment options for payment of our advice and service fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment (subject to the advice and service provided)

All permissible fees and commissions will be paid directly to Hillross as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue over a 12 month period.

For more information on our services, please see our **Schedule of fees** attached or available on request.

### Fixed service fees

We offer the following services at these fees:

Service	Fee	
SMSF Administration, Compliance & Audit	\$3,000 pa	
Centrelink Management Services (only)	\$1,100 pa	
Share purchases & sales transactions	1% or min of \$75 per trade	
Additional Services - Hourly rates	Senior Adviser or Accounting Professional	\$275
	Para Planner / Portfolio Manager	\$180
	Administration / Client Service staff	\$ 80

### Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

### Other benefits we may receive

The following are monetary and non-monetary benefits we may receive other than those explained above. These are not additional costs to you.

In addition to the payments we may receive for our advice and services, we may receive other support services or recognition from the licensee to help us grow our business. This could include education or training support, badging rights, technology, financing, events or other recognition we are eligible for. We may receive benefits from product issuers that may include non-monetary benefits that are valued at less than \$300. We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

### **Development, management and advice (DMA) run off payments**

Eligibility to receive DMA run off payments is dependent on us continuing to be authorised by and meeting standards set by Hillross. From 31 January 2020 we will be eligible to receive run off payments based on the amount of advice revenue we generated in 2018. Advice revenue includes revenue directly attributable to advice provided to a client for an agreed fee. It excludes commissions from investment, insurance and banking products. These payments are to assist with our cashflow over 3 years as set out in the table below. Run off payments will not be made after January 2023.

Year	Total annual amount
2021	\$66,000.00
2022	\$33,000.00

### **Placement fees**

From time to time Hillross will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by Hillross. We may share in this fee based on the level of participation by our clients.

### **Business buy-back option**

If we leave the financial services industry, Hillross makes available a facility for its authorised representatives to transfer their clients. If this happens, Hillross may buy back the servicing rights of our clients. The facility is subject to certain conditions (such as, reason for sale, time the firm has been operating with Hillross, level of adherence to Hillross compliance requirements and achieving a satisfactory level of customer service), and provides a minimum value for our register of clients. The minimum value is based on a multiple of firm revenue. If at some future time we should look to sell our firm, Hillross may purchase the servicing rights of our clients in these circumstances.

### **Personal and professional development**

Hillross offers education, personal and professional development opportunities to our firms on an annual basis. Participation in these opportunities may be based on attainment of qualifying criteria or open eligibility.

### **Education and professional development**

Provided we meet specific qualification criteria Hillross will support the firm with up to 20% of the licensee fees payable by the firm to the licensee in 2017 to meet the training and education requirements for financial advisers as required by Financial Adviser Standards and Ethics Authority.

The support mentioned above is paid by Hillross directly to the education provider and not to us.

It is important that you are aware of the relationships that Hillross has with providers of financial services and products as they could be seen to influence the advice you receive.

From time to time, ASL may facilitate access to Hillross and its authorised representatives for issuers to train or educate Hillross and its authorised representatives on their products.

### Key relationships and associations

A separately managed account (SMA) is an account where a responsible entity, based on advice from a professional investment manager, can make investment decisions on a client's portfolio and transact on those decisions without requiring the client's express consent each time. This means the responsible entity is responsible for the discretionary management of the client's investment portfolio.

We distribute the **Private Collection** Managed Portfolios (**Managed Portfolios**).

North is the platform that administers the Private Collection Managed Portfolios.

FM Financial is not the investment manager. The responsible entity appoints a professional investment manager to provide advice about the management of the SMA portfolios. The responsible entity makes all investment decisions relating to the SMA portfolios.

We have no relationship or association with the investment manager.

## Fees

Other than the fees disclosed under 'My Fees' above, we do not receive any other remuneration or other benefits in respect of, or that is attributable to, the provision of services related to the **Private Collection** Managed Portfolios (**Managed Portfolios**).

## Key roles

Responsible entity (RE)	Issues the SMA. The RE must meet regulatory requirements including investment governance and is ultimately responsible for the effectiveness and governance of the investment options (model portfolios and customisations) available via the SMA. The RE manages the platform, custodial and administrative services.
Investment manager	Provides advice to the responsible entity on the composition and management of the managed portfolios.
Platform	Provides custodial and administrative services, reporting and access to a menu of diversified investments.
Practice (us)	Reviews the appropriateness of the SMA product for the client at least once a year.

For more information about how the product works and the roles and responsibilities of the key parties, please refer to the **Private Collection** Managed Portfolios (**Managed Portfolios**) PDS which we'll provide to you if we recommend the SMA product to you.

### Note

If you are no longer a client of FM Financial, the responsible entity may have the discretion to move your investments out of the **Private Collection** Managed Portfolios (**Managed Portfolios**).
